Information and Ordering

Limited edition prints are offered in two archival formats and four sizes. Some images have restricted sizing or non-standard dimensions, so please review the information provided for the prints in which you are interested.

How to Order:

To submit an order or if you have questions, please send an email to me at craig@cpburrows.com or use the contact form on my website.

Paper Prints:

These are printed with pigment-based ink on heavy-weight archival matte paper. Offered in 3 standard sizes with image widths measuring approximately 24", 42", and 60". A white border is included to protect the print and simplify framing. For safety, paper prints are shipped rolled in tubes.

Acrylic Prints:

Acrylic prints improve on plain paper by printing on a lightly metallic surface which is mounted directly onto a panel of anti-reflective acrylic. This format has particularly rich color and deep blacks, and is intended to be hung slightly floating off the wall. These prints are reinforced with a rigid backing and come ready-to-hang.

Authenticity:

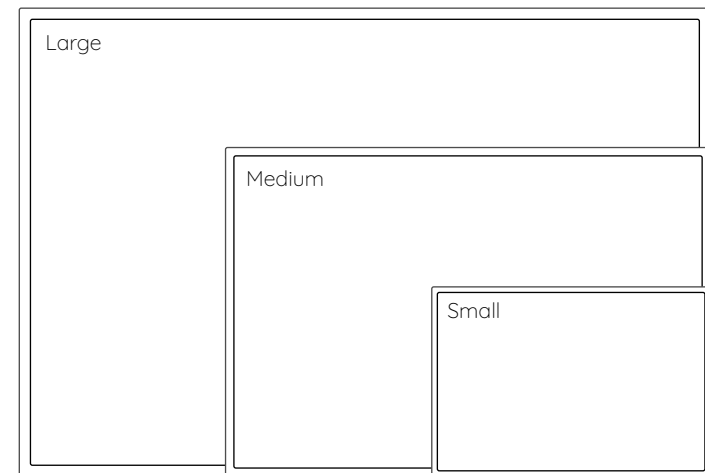

Each print will be signed and numbered on the back and accompanied by a certificate of authenticity.

Shipping and Taxes:

Shipping for U.S. domestic acrylic prints and international paper prints will be calculated on an individual basis. Sales tax must be added for orders within the state of California. For international shipments, duties and VAT may be assessed depending on the destination country.
